

WHAT:

- “Boot camp” to introduce High School Students to the modern automobile. Limited seating, sign up now!

What will my student learn?

- Your student will learn about various systems on modern automobiles as well as build their very own miniature engine that works!

IS THERE A COST?

- This is a FREE event. Students are responsible for transportation; lunch will be provided.
- Parents will also be invited to attend an open house to explore the facility, curriculum, and options for their students (or adults!) who seek automotive training. Open house will be scheduled for Thursday evenings as a culminating event for each week’s session.

WHERE:

- Solano College’s Brand-New Automotive Facility, 1687 N. Ascot Parkway, Vallejo, CA 94591

WHEN:

- Monday through Thursday from 9am-2pm, various weeks in June 2022. Students only need to sign up for 1 week’s session. (June 6-9, June 13-16, June 20-23)
