**POLICY:** The Governing Board delegates to the Superintendent/President or their designee the authority to enter into contracts on behalf of the District and to establish administrative procedures for contract awards and management, subject to the following:

Contracts are not enforceable obligations until they are ratified by the Governing Board.

Contracts for work to be done, services to be performed or for goods, equipment or supplies to be furnished or sold to the District that exceed the amounts specified in Public Contracts Code Section 20651 shall require prior approval by the Governing Board.

When bids are required according to the Public Contracts Code Section 20651, the Governing Board shall award each such contract to the lowest responsible bidder, unless excepted by law, who meets the specifications published by the District and who shall give such security as the Governing Board requires or rejects all bids.

When the District determines that, according to Public Contract Code Section 20651.7, it can expect long-term savings through the use of life-cycle cost methodology, the use of more sustainable goods and materials, and reduced administrative costs, the District may select and award the contract based on best value in accordance with AP 6340. The bidder shall give such security as the Board requires and may reject all bids.

When the Superintendent-President, in consultation with Chief Business Officer or Chief Facilities Officer or designee, determines that, the District can obtain a contract for goods or services through the California Community Colleges Chancellor's Office CollegeBuys Program for the Procurement of Goods and Services for Community College Districts at a lower price upon the same terms, conditions and specifications, the Chief Business Officer or Chief Facilities Officer or designee may proceed with the contract without conducting a formal bidding process.
