| <p><b>1. Call to order</b></p>                  | <p>We should take a moment to acknowledge the land on which we are gathered. For thousands of years, this land has been the home of Patwin people. Today, there are three federally recognized Patwin tribes:</p> <ul style="list-style-type: none"> <li>• Cachil Dehe Band of Wintun Indians of the Colusa Indian Community</li> <li>• Kletsel Dehe Band of Wintun Indians</li> <li>• Yocha Dehe Wintun Nation</li> </ul> <p>The Patwin people have remained committed to the stewardship of this land over many centuries. It has been cherished and protected, as elders have instructed the young through generations. We are honored and grateful to be here today on their traditional lands.</p> |                                   |                           |      |                        |                        |                     |      |                         |                                   |                                         |                        |                         |

## 6. Discussion Items

### 7.1 Update

- The LA program reviews have all been placed on the APR committee schedule.
- The 2-year abridged program reviews are due on June 1, 2025. The eLumen templates will be made available and programs notified by 3/7/25.

### 7.2 LA Program review

No programs to review

### 7.3 other

- Student Survey for Rising Scholars was reviewed and moved to an action item.
- LaNae met with Bob, eLumen consultant, and was informed that the goals tables in completed program reviews cannot be imported into new templates. There are a few options for having program goals available for annual updates and subsequent program reviews. The only sustainable option is to have a link to a goals/objectives form that can be placed in annual updates, 2-year abridged program reviews and 6-year program reviews. LaNae will build a prototype pilot with Bob.
