How-To Update your MySolano Pin/Password

Note: This process is not intended to update your Network Password. It is only to update your PIN within My.Solano.

Step 1: From the MySolano login page, select “Find Username/Reset Password.”

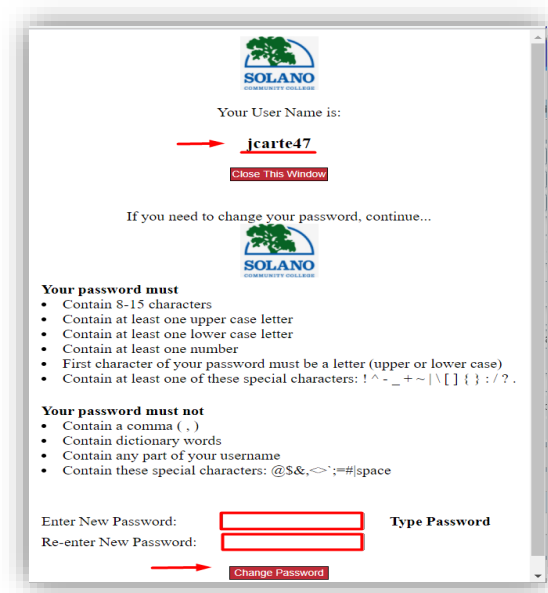

Step 2: Next, complete all requested fields and then click “Look Up.”

Step 3: Please answer your “Secret Question,” and then click “Look Up.”

Note: If you don't know the answer to your secret question, please contact helpdesk@solano.edu, and one of our Tech Specialist will be able to assist you.

Step 4: “Enter New Password” and then “Re-enter New Password.” As this will only update your PIN within My.Solano, it is recommended that you enter in the same Password that you currently use for your Network access.
