

# SCC Fix-A-Falcon Bulb Replacement Program

- Program will replace traffic citations with repair vouchers for broken bulbs on vehicles.
- Transforms potential confrontations into opportunities for productive and equitable interactions.
- Strengthens public trust between Solano College and the community it serves.
- Program ensures safer vehicles on the road.
- Prevents the penalization of low-income students for vehicle equipment related issues.
- Win-Win for everyone.

# Spiraling Effects for Equipment Citation Before Fix-A-Falcon Program

## Spiraling Affects Explained

1. Starts with fixing traffic citation.
2. Student spends money and time to get bulb repaired.
3. Repair shop cost can run up to \$250 or more.
4. Student needs to find an officer to sign off fixing ticket.
5. Will need to pay fines and fees.
6. If fees/fines aren't paid on time they will be sent to collection.
7. Collections will lower credit score. Purchasing/borrow power goes down.
