

Disability Services Program

Accommodation Agreement

I understand and agree to the following:

1. I am responsible for informing Disability Services of my need/request for accommodations. I will contact the DSP Office at (707) 864-7136 or by email at dsp@solano.edu to make an appointment with a DSP counselor.
2. All reasonable accommodations that are available to me will be based on documentation I am required to provide to DSP services. The documentation must be from a qualified professional who is licensed to diagnose my disability. If requesting accommodations for more than one disability, I will need to provide documentation for each one.
3. I understand that a request for changes/adjustments to my accommodations will require that I make an appointment with my DSP counselor for a review.
4. If the need for an approved accommodation has not been met, I will contact the DSP office to inform them of the situation and request assistance in providing a resolution.
5. I understand that accommodations are NOT retroactive and only begin once I have submitted all required paperwork to the Disability Services Program.

I plan to utilize my accommodations for classes at Solano College. My educational goals are as follows:

- Transfer AS/AA Degree Certificate Job Skills
- Basic Skills Personal/Social Development Undecided

If my instructor(s) have not received a copy of my Accommodation Letter after two weeks of class, I will inform the DSP Office and authorize them to send copies to all instructor(s) on my behalf.
