## Preparing Latinx Students for Transfer, 2023-2024

- Are you planning to transfer to a four-year university and want to be part of a cohort of highly motivated students? If so, Puente may be for you!
- The mission of the Puente Project is to increase the number of underrepresented students who enroll in four-year colleges and universities, earn degrees and return to the community as leaders and mentors to future generations.
- Puente students succeed and transfer at twice the rate of controls, with retention averages 92% statewide for Puente students.
- Puente is open to all students.
