<b>6b. Workload/Class Max</b>			
Course	Rationale	Workload Committee Decision	Change
HSW 001	There are a lot more applied activities in order to increase the skills needed for students to get more practice before they provide culturally responses in the field, therefore a reduction in class size is required in order to provide a more tailored approach and provide feedback consistently-instructor to student and student. This size would also mirror the other class students often take as a cohort. Finally, class sizes are very limiting to offer such a large course which is not all lecture and one sided like outdated models of instruction.	Not yet met	50 to 35

**ALL MEETINGS WILL BE HELD STARTING AT 2:00 PM ON ZOOM AND IN PERSON LOCATION AS NOTED**

*\*\*Under the Bagley-Keene Act, a body does not have to listen to comments on matters that are not on the agenda or that were already considered in a public meeting where there was an opportunity to comment. Cal. Gov't Code § 11125.7(a).*

*Under the Brown Act, the public is entitled to comment on any matter within the subject matter jurisdiction of the legislative body, as well as any agenda item. Cal. Gov't Code § 54954.3(a). See Galbiso v. Orosi Pub. Util. Dist., 167 Cal. App. 4th 1063, 1080, 84 Cal. Rptr. 3d 788 (2008). Under the Brown Act, the legislative body does not have to listen to comments on items that are not within its subject matter jurisdiction. 78 Ops. Cal. Att'y Gen. 224 (1995). And, as under the Bagley-Keene Act, a legislative body under the Brown Act does not have to listen to comments on items that were already considered in a public meeting where there was an opportunity to comment. Cal. Gov't Code § 54954.3(a).*

*An agency may limit public comment on items described in the agenda to the time when those items are being considered. Olson v. Hornbrook Cmty. Servs. Dist., 33 Cal. App. 5th 502, 528, 245 Cal. Rptr. 3d 236 (March 26, 2019).*

*In addition, under both Acts, the body may adopt reasonable regulations to ensure that the above provisions are carried out, including but not limited to regulations limiting the total amount of time allocated to each individual speaker for public testimony or comment on particular issues. Cal. Gov't Code §§ 11125.7(b) (Bagley-Keene Act); 54954.3(b) (Brown Act). A legislative body of a local agency may regulate the time, place and manner for speech to ensure orderly discussion. Baca v. Moreno Valley Unified Sch. Dist., 936 F. Supp. 719 (C.D. Cal. 1996) (Brown Act); see, e.g., Ribakoff v. City of Long Beach, 27 Cal. App. 5th 150, 177, 238 Cal. Rptr. 3d 81 (2018) (rejecting plaintiff's First Amendment facial and as applied challenge to board's rule limiting public comment to three minutes); Olson, 33 Cal. App. 5th at 528 (holding limitation on public comment on agenda items to when those items are being considered was not an unreasonable regulation).*
